

The Comstock community is a private, gated community adjacent to Park Run at Southern California's largest ski resort, Big Bear Mountain. We offer a wide-range of family-friendly condominiums. Set among some of the most jaw-dropping mountain views in California, properties at the Comstock are more than just a home – they're a lifestyle and an experience.

### Condominiums

The Comstock community offers breathtaking mountain views coupled with slopeside access to perfect powder conditions just steps from your door.
